# Scheduling Online and In-Class Sessions

You can schedule Online and In-Class Sessions from our platform. This allows you as a teacher to adapt to diverse modalities of education, satisfying the requirements of both online and conventional classroom environments, facilitating efficient lesson delivery and student engagement in any learning context. Attendance for online classes can be conveniently monitored. And for physical classes, teachers can manually record the students who were absent, sick or were granted the permit to skip the class. The attendance records are stored in the platform's database and can be used as needed.

The screenshot displays the 'The Future School' Online Learning Platform interface. Key features highlighted include:

- Create New Session:** A button to initiate a new session.
- Sessions Report:** A button to generate reports for sessions.
- Customize Session Report:** A modal window showing options to customize the report format (CSV, Excel File, PDF File) and date range (Last 7 Days, Jun 9, 2025 - Jun 16, 2025).
- Create Session Modal:** A detailed view of session creation, including session name, individual classes, and one-time session details.

If your school has subscribed to Jelajah Ilmu, you can host Online Sessions and utilise attendance reports for convenient student tracking and monitoring, streamlining attendance management.

## Did you know?

Teachers can take photos of student's work and upload it on the platform after any **In-Class Session**. This allows for the recognition and accessibility of the best work, enabling everyone to review and learn from it.
