# Jelajah Ilmu X Penerbit Intan Pariwara Advocating Merdeka Kurikulum

Merdeka Kurikulum is an educational framework developed by the Indonesian government to transform the country's curriculum and teaching methods. To implement Merdeka Kurikulum, the government encourages educational institutions to adopt innovative teaching methods, utilise technology, and provide a conducive learning environment.

Jelajah Ilmu, with its innovative features and collaboration with Penerbit Intan Pariwara, offers a comprehensive solution for implementing and delivering Merdeka Kurikulum across educational institutions in Indonesia.

# Our Features

Our versatile platform offers a wide range of features that caters to the requirements of both online and offline (In-Class) academic delivery. Our tools enhance In-Class and online learning, teaching, monitoring and school administration, while prioritising convenience through the integration of technology.

With Jelajah Ilmu, you as a parent can access features that provide you with information such as Assignment results, Notices and eConsent forms from the school, and even what your child has been doing on the platform. Thus, you are empowered with the necessary tools and information essential for steering your child's academic journey.

**Be a part of your child's academic journey with Jelajah Ilmu!**

## Uses for Parents

- ✓ Link your account with your child's
- ✓ Get updates about "In-school" activities
- ✓ View your child's activities on the platform
- ✓ View your child's classroom activities
- ✓ Access your child's academic performance data
- ✓ Receive Announcements from the school or teachers

Note: Feature updates might be carried out periodically without prior notification, to provide a better user experience. Please contact us via the Chat Support, for assistance regarding the platform.

Jelajah Ilmu

## For Caring Parents

**Jelajah Ilmu** is the perfect tool for you as a parent to keep track of your child's school activities, academic progress and to analyse their strengths and weaknesses. Our innovative tools are tailored in such a way that you can closely monitor your child's academic performance and be a part of their academic journey.

# Our Monitoring Features

With Jelajah Ilmu, you have the option to view and actively monitor all your child's activities on our platform. The platform provides comprehensive data on various aspects such as eBooks accessed, the number of pages read, Testpapers generated and attempted, Grades achieved, Assignments submitted, Sessions attended, and much more. With all this data available for you to view, you can have a comprehensive picture of your child's academic progress and engagement.

# Classroom Updates

As a parent, you can view your child's daily classroom activities, such as scheduled sessions, upcoming assignment deadlines, and learning resources shared by the teachers. This allows you to stay updated with your child's schedules and support them when needed.

The screenshot displays the 'The Future School' Online Learning Platform interface. The top navigation bar includes 'Home', 'Activity', and 'Classrooms'. Below this, the user is logged in as 'John Doe' (JD) under the 'Kelas 1 Seni Rupa (PR Kumer)' and 'Kelas 1 Seni Rupa (Demo)' sections. The main content area is divided into three tabs: 'Sessions', 'Assignments', and 'Teacher's Content'. The 'Sessions' tab is active, showing a calendar view for June 15-21, 2025, and a 'Today's Upcoming Session' section. The 'Assignments' tab is also visible, showing 'All Assignments' and 'Open Assignments (1)'. The 'Teacher's Content' tab is shown at the bottom, displaying a folder icon and the name 'John Doe'. A dashed green line connects the 'Sessions' tab in the top screenshot to the 'Sessions' tab in the bottom screenshot, and another dashed green line connects the 'Assignments' tab in the top screenshot to the 'Assignments' tab in the bottom screenshot.

# Get Instant Notifications

Any school activity or announcements that involve your child are available for you to review as well. You can directly get the notification from your child's school or teachers when they make any important announcement. You can even send your response on the eConsent forms via the platform.

Additionally, if you download and sign in from our mobile app, all notifications will automatically be pushed to your mobile phone. This way, you will never miss any updates from your child's school!

The screenshot displays the 'The Future School' Online Learning Platform interface. At the top, a notification bell icon shows 50 alerts. Below the navigation bar, there are three main sections: 'Select or Add Child', 'Activity on The Platform', and 'Activity on The Classrooms'. A dashed line connects the notification bell icon to a detailed view of the notifications panel on the right.
