Jelajah Ilmu X Penerbit Intan Pariwara Advocating Merdeka Kurikulum

Merdeka Kurikulum is an educational framework developed by the Indonesian government to transform the country's curriculum and teaching methods. To implement Merdeka Kurikulum, the government encourages educational institutions to adopt innovative teaching methods, utilise technology, and provide a conducive learning environment.

Jelajah Ilmu, with its innovative features and collaboration with Penerbit Intan Pariwara, offers a comprehensive solution for implementing and delivering Merdeka Kurikulum across educational institutions in Indonesia.

Our Features

Our versatile platform offers a wide range of features that caters to the requirements of both online and offline (In-Class) academic delivery. Our tools enhance In-Class and online learning, teaching, monitoring and school administration, while prioritising convenience through the integration of technology.

With Jelajah Ilmu, you as a parent can access features that provide you with information such as Assignment results, Notices and eConsent forms from the school, and even what your child has been doing on the platform. Thus, you are empowered with the necessary tools and information essential for steering your child's academic journey.

Be a part of your child's academic journey with Jelajah Ilmu!
