Jelajah Ilmu X Penerbit Intan Pariwara Advocating Merdeka Kurikulum

Merdeka Kurikulum is an educational framework developed by the Indonesian government to transform the country's curriculum and teaching methods. To implement Merdeka Kurikulum, the government encourages educational institutions to adopt innovative teaching methods, utilise technology, and provide a conducive learning environment.

Jelajah Ilmu, with its innovative features and collaboration with Penerbit Intan Pariwara, offers a comprehensive solution for implementing and delivering Merdeka Kurikulum across educational institutions in Indonesia.

Our Features

The features of our versatile platform has the ability to support both online and offline academic delivery. Our tools enhance in-class and online learning, teaching, monitoring and school administration experience while prioritising convenience through the integration of technology.

Everything that you can do in Jelajah Ilmu as a teacher, depending on the subjects that you are given access to!

Scheduling Online and In-class Sessions

You can schedule Online and In-class sessions from our platform. This allows you as a teacher to adapt to diverse modalities of education, satisfying the requirements of both online and conventional classroom environments, facilitating efficient lesson delivery and student engagement in any learning context. Attendance for online classes can be conveniently monitored. And for physical classes, teachers can manually record the students who were absent, sick or were granted the permit to skip the class. The attendance records are stored in the platform's database and can be used as needed.

Create Session

Your session will be created and added to your class schedule. All students invited in the session will receive a notification on the platform. Your session will be created with the following details:

Session Name
Chapter 12: Circle 4

Individual Classes
Kelas 1 Bahasa Indonesia (Kumer) (Kelas 1 Bahasa Indonesia (Kumer))

One Time Session
June 30, 2023 at 02:30 PM - 03:30 PM Asia/Kathmandu

Back Create Session

If your school has subscribed to Jelajah Ilmu, you can host online sessions and utilise attendance reports for convenient student tracking and monitoring, streamlining attendance management. Furthermore, you have the option to record the sessions for future review.

Did you know?

Teachers can take photos of student's work and upload it on the platform after any **In-class session**. This allows for the recognition and accessibility of the best work, enabling everyone to review and learn from it.

- To use “My Time-Table”.

Convenient Communication Enabled by Chat Rooms

As a teacher, you can create chat groups for specific classes or projects that enable individualised conversation and file sharing. These channels serve as designated locations to deliver important information, announcements, and resources, encouraging collaborative learning and active student participation. If your school has subscribed to Jelajah Ilmu, you can also attach documents in the chat rooms.

- To create and use Chat Rooms.

Make Announcements for Easy Communication

As a teacher, you can utilise our announcement feature to communicate important school-related activities, exams updates or any general information. It is the best way to send notices to students, teachers or parents. Additionally, you can send eConsent forms and receive responses from the respective recipients.

The screenshot shows the 'The Future School - Online Learning Platform' interface. The top navigation bar includes 'Home', 'Classrooms', 'Teaching Resources', 'Testpapers', 'Chat Rooms', 'Announcements', and 'My Time-Table'. The 'Announcements' section is active, showing 'Ongoing' and 'History' tabs. A search bar and filters for 'User Type', 'Class', and 'Grade' are visible. A 'New Announcement' button is highlighted with a dashed blue arrow pointing to a modal window titled 'Make Announcement / Get Response'.

Make Announcement / Get Response

Users will see your announcement when they login. Your message will be announced with the following details:

User Type	Class(es)
Parents, Teachers, Students	All Classes

Message
We have PTA Meeting tomorrow at school from 1:00 P.M to 3:00 P.M.
Please confirm your attendance.

- To view responses from the eConsent form.

Get Instant Notifications

With our “Notification” feature, you will receive alerts whenever your students turn in assignments or when there are important announcements from the administration. Additionally, if you download and sign-in from our mobile app, all notifications will automatically be pushed to your mobile phone.

This way, you will never miss any school updates!

The screenshot displays the user interface of 'The Future School - Online Learning Platform'. At the top, there is a navigation bar with options like Home, Classrooms, Teaching Resources, Testpapers, Chat Rooms, and Announcements. A notification bell icon in the top right corner shows a red badge with the number '4'. A notification pop-up is open, listing four alerts: 'John Doe has submitted the assignment Test assignment', two instances of 'Leader has updated an announcement. Please check it in your dashboard.', and 'You have a new announcement from Leader. Please check it in your dashboard.' Below the main dashboard, there is a 'Notice Board' section with tabs for 'Today' and 'Tomorrow'. A notice is displayed: 'Sent to: Parents, Teachers and Students of Entire Class. We have PTA Meeting tomorrow at school from 1:00 P.M to 3:00 P.M. Please confirm your attendance.' Below the notice, there are radio buttons for 'Attending' and 'Not attending'. A dashed blue arrow points from the notification pop-up to the notice board, indicating that notifications are linked to the notice board.
